# 200 TDDC Mission/METL Brief

# 200th VISION STATEMENT

Sustain Army, Joint, Combined, and Multinational forces in support of the USAREUR and Combatant Commanders by providing integrated Theater distribution through Material/Maintenance Management and Theater Transportation Management for the deployment of forces and materiel from origin to final destination. Provide a consolidated Distribution Management operation optimized for rapid tailoring and responsive deployment and employment, while providing planning and coordinating for time definite delivery of material, equipment, personnel and soldier support to, within and from an area of operation. Ensure the commander's distribution intent and priorities are met on time and the delivery of

# CURRENT MISSION

Provide theater level materiel and maintenance management (less medical) to Army, Joint, Combined and Multinational Forces supporting and sustaining force projection operations for the USAREUR and Combatant Commanders.

# PROPOSED MISSION

Plan, coordinate, and provide time-definite delivery distribution and materiel management enabling theater sustainment, force projection, and expeditionary logistics to Army, Joint, Combined and Multi-national Forces in support of USAREUR and Combatant Commanders.
